

What Will You Find in Your PTIUK Home?

Pathways to Independence offers a range of single occupancy and shared accommodation options to meet young people's and local authorities placement needs.

Our shared properties offer

- 2 to 5 private bedrooms used by the young people
- A shared kitchen space for cooking, food preparation and washing clothes
- A shared living space for communal living and Key Working Sessions
- A shared bathroom which includes a toilet, sink and either a bath or a shower
- A back garden for personal enjoyment
- Wifi throughout the house and a landline Duty Phone to contact us out of hours

Our Bedrooms offer

- Lockable door for privacy and peace
- Furniture to make your room feel comfortable and welcoming, with space to study and relax
- A welcome pack with all the essentials to start your placement
